**IDLING REGULATION OUTREACH SURVEY**

For Fleet Owner

Date:

Company:

Contact:

Phone Number:

**1) How many sleeper trucks in your fleet operate in California?**

Response:

**2) Are you aware of ARB's upcoming idling requirements for sleeper trucks beginning in 2008?**

Response:

If yes, please continue.  
If no, please stop here.

**3) Have you made a corporate decision yet on which cab comfort technologies you plan to use on your sleeper trucks (e.g. APU, battery, fuel-fired heater, thermal energy storage, etc.)? If yes, what is your per-truck cost?**

Response:

**4) Are you having trouble obtaining cab comfort technologies?**

Response:

**5) Do you have any internal policies set to prevent drivers from idling in California? Are you informing drivers of California's idling regulations?**

Response:
